A very warm welcome to EuroCorgi 2026!

On behalf of the Swedish Welsh Corgi Club, I am delighted to welcome you all. It is wonderful to see so many Corgi enthusiasts from across Europe and beyond gathered here to celebrate our beloved breeds.

EuroCorgi is more than a dog show – it is a celebration of friendship, shared knowledge, and our passion for the Welsh Corgi Pembroke and Welsh Corgi Cardigan.

I would like to express my sincere gratitude to everyone who has helped make this event possible. A special thank you to our amazing EuroCorgi Committee for their dedication and many months of hard work.

My heartfelt thanks also go to our judges for sharing their knowledge, experience, and passion with us. Your professionalism and warm approach make this event truly special.

Thank you to all of our generous sponsors for contributing wonderful prizes from across Europe. Your support reflects the strong community spirit that makes EuroCorgi so unique. A special thank you goes to our main sponsor, Globus Sport, and Lina Karlsson for their generous support and for being here with us today.

Please take some time to visit our vendors during the day – you'll find a fantastic selection of products, many with a special Corgi touch.

I would also like to express my sincere appreciation to everyone who has helped me collect and preserve the history of the EuroCorgi shows over the years. It has truly been a detective's work, tracing old results, photographs and memories in an effort to document as much of EuroCorgi's history as possible and to share photographs of our previous Best in Show winners.

So many people from across Europe have generously searched through their archives, shared old photographs and results, and helped me piece together this history. I am incredibly grateful to everyone who has contributed.

This is a history that we should treasure, preserve and be proud of. EuroCorgi is a truly fantastic event, bringing together Corgi enthusiasts across borders and generations. Here in Sweden, we now have the great honour and privilege of hosting the 13th edition of EuroCorgi – and of adding another chapter to this very special history.

Along the way, I have collected much more information and many more photographs than we have been able to include here. All of this material has been carefully saved, and I will be very happy to share it with anyone who wishes to continue documenting and preserving the history of EuroCorgi in the future.

We hope you enjoy your time with us, experience a taste of Swedish hospitality, and create wonderful memories with friends, old and new.

We wish every exhibitor the very best of luck in today's judging – and even before this EuroCorgi has begun, I am already looking forward to the next EuroCorgi and to seeing where the next chapter of this wonderful tradition will take us.

Welcome to EuroCorgi 2026!

*Warmest regards,
Jennica Skoglund

Eva Granlund has a long and deep connection to the Welsh Corgi. Over the years, she has shared her home with both of our wonderful breeds and has been breeding Welsh Corgi Pembrokes since 1985. Her many years of experience and dedication to the breed have given her a wealth of knowledge and a true passion for Corgis.

We look forward to two fun and memorable competitions under the judging of Louise and Eva!

Mrs Ros Gardiner (Ellwood) Elmsmere Kennels UK.

Firstly, I would like to thank The Officers and Committee of The Swedish Welsh Corgi Club for inviting me to judge Cardigan Corgis at Euro Corgi 2026 it is indeed a great honour and Privilege for me.

I am looking forward to meeting you all and your wonderful Corgis, it is always such an honour to judge a breed which I have loved and been involved in for over fifty years.

I started my time with both breeds of Corgis when I left school in 1975 and got myself a job in a show and Boarding kennels, little did I know where this path would eventually take me!!!

I worked for the World Famous Beckrow & Willowglen Kennels of Sandra Tonkyn and Her Mother Joy Tonkyn, they had both Cardigans and Pembroke's and Irish Setters, both were International Championship Judges and bred many Champions between them. Sadly, Sandra passed away far too young and was and still is a great loss to the Corgi World.

I was extremely fortunate to work with and learn so much from my time working for them and travelling to many shows but also learning so much about both breeds, Sandra taught me all about how to groom and handle and more importantly the history of both breeds and understanding pedigrees and bloodlines.

I was also very lucky as at that time we had so many great breeders in the UK, so I was so lucky to be able to meet them and learn so much from these amazing people sadly so many are no longer with us which is a great loss to both breeds.

I eventually left the kennels as I wanted to go into the Armed Forces, I joined the Army in 1979, I served with the Royal Army Veterinary Corp, but I kept my interest in the Show World.

Once I left the Army I first started showing Labradors as I had always loved the breed having been given a Labrador puppy by my Parents for my 7th Birthday. I had a great love for the Chocolates but I also bred blacks and yellows. I was very proud to have bred the top ranking Labrador in Brazil in the eighties, and I also bred Champions in other Countries including South Africa, I sadly lost the last Labrador in January of this Year, it is very strange at home now without any.

I owned my first Cardigan in 1985 and she was a tri colour and was a litter Sister to the famous UK / AM

Ch Beckrow Blue Cedar and I also owned a Blue Merle who was one of his Sons both did well in the ring.

I got my first Brindle dog from the Salvenik kennel from me dear friend Teresa Maddox who is a World Famous Breeder of both Cardigans and Pembroke's, he went on to be my first Champion, this was CH Salvenik Snurge of Elmsmere he was mostly Kentwood, Antoc , Joseter and Salvenilk bloodlines.

I have gone on to breed and own multiple Champions in both Cardigan and Pembroke's both UK and Overseas, it always gives me great pleasure to see other kennels win with dogs I have bred, and I am always delighted to help and support new people starting out.

Il have been blessed to have had the opportunity to work with top kennels over the years and this has given me the chance to bring in some great bloodlines to help improve my kennel from New Zealand, Russia, America, Finland and Poland.

We have made breed history. I brought in a beautiful young dog from the Rodwell kennel of Bridget Smeeton from New Zealand, CH Rodwell Making Waves for Elmsmere, he went on to gain his UK title and produce Champions here in the UK and overseas. He was the first Cardigan from New Zealand to become a UK Champion.

We also imported a puppy from the famous Mistycor kennel, CH Mistycor Avantury of Special Target at Elmsmere (Imp Rus) she became the first Cardigan from Russia to become a UK Champion.

My other special import came from Finland, CH Beryllos You Look Like a Star at Elmsmere (imp Fin) , this super girl went onto to be top Cardigan bitch for two years running and in her first litter produced 4 Champions, sadly Rosa passed away a week after our beautiful Labrador in Jan 2025. We hope her young Daughter will continue our lines as we hope to have one more litter at Elmsmere early in 2026.

My all time heart dog was my World famous CH Salvenik Secret Agent of Elmsmere ShCM .Penfold was a total superstar and was a big winner in the UK , he won multiple CC's he was top puppy in the breed, he was top Cardigan in the UK for 3 consecutive Years, and was Best of Breed at Crufts in 2007 and was the sire of Champions in the UK and overseas, he was a very special dog!!!

I have also had UK and overseas Champions in Pembroke's and again made breed history as I bred the first Male Pembroke with a tail in the UK to win a CC and go on to be the first Pembroke male with a tail to gain their title, this was after the docking ban came into force in the UK.

I have been Secretary of the Eastern section of the Welsh Corgi League and served on the committee of the Eastern Counties Welsh Corgi Club. I am currently serving as Committee member of the Eastern Sub section after I was invited back after previously being secretary and I also serve on the CWCA committee.

My first judging appointment was in 1986 and I have now had the pleasure of judging all over the World, including Australia, America, Russia twice and several Countries throughout Europe, (I am one of a very small number of UK Judges who have had the honour to judge Cardigans in America).

I also judge Bis, Groups and most breeds at open show level in the UK.

I am also thrilled to have received a letter from our Royal Kennel club inviting me to judge Cardigan Corgis at Cruts in 2027 it will be the pinnacle of my judging career and a real honour.

I can't believe that when I started out at the age of 16 as a young Kennel maid with a great passion for dogs where my path would lead me!!! I will always be eternally grateful to Sandra and Joy for helping me take that first step and to all the great breeders and friends along the way who have helped and supported me achieve so much with my dogs over the past 50 years, I have never bred a lot of litters but most have always contained Champions and also many have given much joy and pleasure as loving, healthy and happy family companions which is the most important thing to me.

I am so looking forward to Judging in Sweden as it will be my first time coming to a Country I have long wanted to visit.

Ros Gardiner

The Story of EuroCorgi

Every great tradition begins with a vision.

For EuroCorgi, that vision was never simply to create another dog show, but to create a place where people from across Europe could come together through their shared love for the Welsh Corgi.

At a time when opportunities for international gatherings were few, there was a strong belief that breeders, exhibitors and enthusiasts of both Pembrokes and Cardigans deserved an event that celebrated far more than competition. The ambition was to build a community founded on friendship, knowledge, cooperation and a genuine passion for the breeds.

That vision became reality when the very first EuroCorgi was organised in Douai, France, in 2009 together with the French Corgi Club.

Many people believe that Belgium was the first EuroCorgi. This is understandable, as the Belgian event attracted a much larger international audience and received considerably more publicity across Europe. However, the very first EuroCorgi was held in France, where the idea first became reality.

The following year, EuroCorgi was organised in Belgium in cooperation with the Belgian Shetland Sheepdog Club. The event reached a much wider international audience and firmly established EuroCorgi as a unique European gathering for Welsh Corgi enthusiasts. It was this success that helped transform the original idea into the international tradition we know today.

As EuroCorgi continued to expand across Europe, more people and countries became involved in shaping its future. Over the years, dedicated organisers have worked together to preserve the original vision, coordinate future host countries and ensure that the unique spirit of EuroCorgi continues from one organiser to the next.

Over the years, EuroCorgi has grown considerably. Hundreds of dogs from across Europe now participate, and exhibitors travel thousands of kilometres to attend. Yet despite its growth, the heart of EuroCorgi has never changed.

Winning is wonderful. Beautiful dogs deserve to be celebrated. But ribbons and trophies are only memories.

The friendships created around the rings, the conversations that continue long into the evening, the

exchange of knowledge between breeders, and the opportunity to meet old friends while making new ones—these are what truly define EuroCorgi.

For numerically small breeds such as the Welsh Corgi Pembroke and Welsh Corgi Cardigan, international cooperation is more important than ever. By sharing knowledge, bloodlines, experience and friendship across borders, we help secure a healthy future for both breeds.

EuroCorgi has therefore become much more than a dog show.

It is a meeting place.

It is a network.

It is a celebration of two remarkable breeds and of the people who dedicate so much of their lives to them.

Every host country contributes its own traditions and personality, but one thing should always remain unchanged:

EuroCorgi should feel like coming home.

No matter where in Europe it is held, every exhibitor, breeder, owner and enthusiast should leave with the feeling that they have not only attended a dog show, but spent time among friends who share the very same passion.

That has been the vision since the very beginning.

And it remains the vision for every EuroCorgi still to come.

Marian Your, Tri-umph Kennel USA

A Pembroke Welsh Corgi first entered my heart shortly after my marriage in 1979, and I have this small tri dog to thank for a lifetime of adventures and friendships in dogs. My first venture was into the world of obedience training. Shortly thereafter I acquired a second corgi that I showed in both obedience and conformation.

I attended my first National Specialty in Kentucky in 1982. A highlight for me as a breeder/exhibitor came seven years later when I showed "Shirley," Ch. Tri-umph's Turning Heads, CD NA, sired by the English import Ch. Cinonnie Cavalier, to Best of Breed at the National Specialty in 1989. All of my current dogs are descended from Shirley. I repeated the feat of winning Best of Breed at our National Specialty at the end of the lead of GCHG Tri-umph Topsy-Tart of Raven-C, "Joy," under Judge John Burgess in 2025.

Since retiring in 2010 from business and teaching, I have kept myself busy with PWCCA Publications and Board responsibilities, judging conformation, serving as an officer and board member of the GHPWCF, serving as secretary for the Baytown Kennel Club, and breeding and showing Pembrokes. Agility is my most recent passion, and it has made me more appreciative of the correlation between form and function in this athletic breed.

I have been licensed as a judge for Pembroke Welsh Corgis since 2003, and I also judge Australian Shepherds, Cardigan Welsh Corgis and German Shepherd Dogs. I have had the honor of judging at the PWCC of Southern California, Western Reserve, Greater Houston, Mayflower, Gaitway (2010) Ohio Valley, PWCC of Greater Atlanta, PWCC of The Rockies, Gaitway (2017) and most recently, Greater Houston PWCF, Garden State PWCC, and Greater Atlanta Specialties. I am honored to have been asked to judge Pembroke Welsh Corgis at Eurocorgi in 2026.

Ms Terry Hansen, Pinemeade Kennel USA

I began showing purebred animals with cattle and horses and started showing dogs in 1963. I have bred and owned champion Pembroke Welsh Corgis, Rough and Smooth Collies, Dobermans and Whippets.

I have been a member and past officer of the Pembroke Welsh Corgi Club of America since 1984 as well as Golden Gate Pembroke Welsh Corgi Fanciers, and the Collie Club of America. I am currently licensed by the American Kennel Club to judge Bouviers, Briards, Cardigans, Collies, Dobermans and Pembrokes, as well as Junior Showmanship.

I purchased my first Pem in 1979 from Pat Jensen of Larchmont Corgis – "just for a pet to go to horse shows with me and my daughter, Shannon!" And so it began...this love affair with the breed. I have bred and shown multiple specialty, best in show and group winning corgis and our 10th generation is home in the whelping box.

I was first licensed to judge Pembroke Welsh Corgis in 1995. I have previously judged the Pembroke Welsh Corgi Club of America National Specialty (bitches in 2001 and dogs and Best of Breed in 2013 and 2023) as well as most of the regional specialties in the USA, Canada, and New Zealand.

In my 'everyday life,' I recently retired as the elected County Clerk-Recorder/Registrar of Voters in Yuba County, California. I have one daughter, Shannon Stone, and three grandchildren, Collen, Sydney, and Hannah who are all actively involved in dog showing, breeding, and sheep!!!

There are no words to adequately express the honor and privilege of judging your dogs.

Sincerely (Ms.) Terry Hansen
